

ALPINE CHANGEMAKER BASECAMP

www.alpinechangemaker.org

You have ideas for social, environmental or cultural change in your job, community or city? You want to actively shape the future of your environment and not just watch? But you need support in doing so? Then apply now for the “Alpine Changemaker Basecamp” and become an #alpinechangemaker!

The first “Alpine Changemaker Basecamp” will take place from July 4 to 9, 2021 in Poschiavo/CH. It offers committed people between the ages of 18 and 30 the opportunity to advance their own ideas and projects for social and ecological change in the Alpine region.

An international team of coaches from science, entrepreneurship, crafts, regional development, philosophy and art accompanies you, provides you with various tools and offers new perspec-

tives to facilitate the design and the implementation of your project. During the camp, coached phases alternate with inputs, self-organized work, peer-to-peer units, reflection and feedback loops, events and community tasks.

After the Basecamp, a mentoring programme supports you for a year in the implementation of your project. You also get the opportunity to present your project in an international forum and to act as a mentor for further generations of “Alpine Changemakers”.

Apply now for the “Alpine Changemaker Basecamp” with a letter of motivation or video/audio file of yourself, an outline of your “Alpine Changemaker” idea and your curriculum vitae.

For more information visit: www.alpinechangemaker.org

Send the entire application via email to alpinechangemaker@cipra.org.

Application deadline is May 15, 2021
