

## Hotel list for the CIPRA Annual Conference, 16.10.-17.10.2026

As Bolzano is very busy at this time of year, we recommend booking your hotel well in advance. Please find below a list of hotels in Bolzano. **Please read the information carefully before booking.**

### Hotels recommended at Bozen – Bolzano downtown:

- The Hotels are about 5-10 minute walk from the train station
- Breakfast is included in any accommodation
- Some of the hotels offer special prices for you. **PROMO Code is CIPRA**. For not missing this promotion, use the code in any case.
- Some of the hotels are offering the “**guest pass**” for free public transport, and other benefits e.g. reduced entrance-prices. More information: <https://questpass.suedtirol.info/en/>; **Hotels with this service are marked in YELLOW.**
- Otherwise for public transport a three-day-ticket costs around € 30,00 (in 2025).
- Pay attention: there is a public-tax for the community, not included in the room-prices. It gets paid daily per person directly to the hotel (between €2.90 and 4€).
- The following ranking-list shows best price first, which is obviously the simplest one.
