ALPSTAR AND THE ALPINE CONVENTION

“The project is addressing the need for well-directed and cross-cutting action to effectively manage climate change and reduction of climate-damaging emissions in the Alpine region, which was expressed by the Action Plan on Climate Change in the Alps (10th Alpine Conference) and Interlaken 1st ASP expert workshop Coping With Climate Change.”

ALPSTAR is mentioned in every political decision of the AC since Evian

Climate Portal

The screenshot shows the website layout for the Alpine Convention Climate Portal. At the top, there is a navigation bar with the Alpine Convention logo and the text 'ALPINE CONVENTION'. Below this is a secondary navigation bar with links: HOME | THE CONVENTION | ACTIVITIES | ALPINE KNOWLEDGE | DOCUMENTS | PERMANENT SECRETARIAT | CONTACT US | SEARCH. The main content area features a large image of a snowy mountain landscape. To the left is a sidebar menu with categories like 'HOME CLIMATE PORTAL', 'THE ACTION PLAN', 'KNOWLEDGE CENTER', 'GOOD PRACTICES', 'TERRITORIAL EXAMPLES', 'PROJECTS', 'TOURISM & SOFT MOBILITY', 'YOUNG GENERATIONS', 'MULTIMEDIA LIBRARY', and 'NEWS & EVENTS'. Below the main image is a section titled 'THE CLIMATE PORTAL' with a paragraph of text explaining the portal's purpose. To the right of the main image are language selection buttons (en, fr, sl, it, de), 'ESSENTIAL LINKS' (EU on Climate Change, The IPCC website, The UN Climate Change work), a video link 'In the EU video "LIVING WITH CLIMATE CHANGE", watch how Climate change affects the Alps!', and a 'GLOSSARY' button. At the bottom, there is a grid of six colored buttons: THE ACTION PLAN (orange), KNOWLEDGE CENTER (blue), GOOD PRACTICES (green), PROJECTS (purple), TOURISM & SOFT MOBILITY (grey), and YOUNG GENERATIONS (yellow-green).

Two priorities within the AC
